WELCOME TO OUR PRACTICE

Dear Friend,

Thank you for coming to us for your neurologic evaluation and care. For your convenience, we are enclosing forms to be filled out prior to your initial appointment. We have also enclosed a map for directions to our offices.

In order for our doctors to make an appropriate assessment, our office should have medical records pertinent to your visit. Please make sure that your referring physician or your primary care physician sends us a copy of your most recent consultation, clinical notes, labs and/or x-ray studies. You may bring any relevant records that you have as well.

To help us stay committed to serving our patients with respect, courtesy and responsiveness, we do expect you to keep your appointment on time. For new patients, we ask you to come 15 minutes prior to your appointment to allow time for initial appointment processing. If you are a new patient and have not filled this initial application packet, we ask you to come 30 minutes prior to your initial appointment. We ask you to call for cancellations at least 24 hours in advance if you cannot make it so that we can use the time to serve others who might need to be taken care of urgently. Per our policy, any missed appointment or cancellation under 24 hours of notice will be subject to a charge for reappointment.

Please make sure to fill out the enclosed information and bring it with you on the day of your scheduled appointment. This will help the physician to facilitate your care.

Your appointment is on:

_____	_____	_____
DAY	DATE	TIME

If you have any questions, please call of office at (925) 938-5252. If you are unable to keep your appointment, please call to cancel or reschedule preferably 2-3 days prior to your visit. Thank you for this courtesy. We look forward to meeting you.

Sincerely,

East Bay Neurology Physicians and Staff

Please check what office your appointment is in!

DIRECTIONS TO:

WALNUT CREEK OFFICE: (675 Ygnacio Valley Road, Suite A102, Walnut Creek, CA, 94596)

ACKNOWLEDGEMENT OF NOTICE OF PRIVACY PRACTICES

675 Ygnacio Valley Rd, A102 Walnut Creek, CA 94596
111 Deerwood Rd, St 305, San Ramon, CA, 94583
925-938-5252

We respect your right to privacy and understand that your medical information is personal to you. Your personal health information is confidential and this notice is intended **in summary** to help you understand how our practice uses and discloses your personal health information and what right you have with respect to your medical information. We abide by State and Federal HIPAA regulations.

HOW WE MAY USE AND DISCLOSE YOUR INFORMATION

Medical Treatment:

We may need to share information relating to your medical care, records, treatment with other physicians, nurses, health care professionals and the East Bay Neurology.

Payment:

We may need to disclose personal health information about you with your health plan and/or referring physician in order to obtain prior authorization for treatment, or to determine whether payment for the treatment is covered by your plan or to facilitate payment of a referring physician.

Healthcare Operations:

We may use and disclose your personal health information to business associates who need to provide a service for our medical practice; examples are our transcriptionist and medical biller.

Appointment Reminders:

Our practice may use and disclose medical information about you to provide you with reminders that you have an upcoming appointment. We may use third party services to help facilitate this. If you have any special requests about these reminders, please notify us.

Please select all that apply, sign and date below.

PROCTECTED HEALTH INFORMATION

NOTICE OF FINANCIAL POLICIES FOR OUR VALUED PATIENTS

CASH PATIENTS
Patients are financially responsible for services provided and are expected to pay at the time of service. Please inquire about our fee schedule prior to your visit to determine your cost. If you would like to bill your health plan still that is out of network, we can provide you a charges summary for you to submit to your insurance on request.

Insurance HMO / PPO PATIENTS
Please refer to our website www.eastbayneurology.com for health plans we accept. Of note, our health plans can sometimes change without notice depending on health plan policy changes. Although we do our best to notify you of this beforehand, it is ultimately your responsibility to know whether we are considered "in-network" for your specific health plan at the time of any visit. It is also your responsibility to know exactly what procedures, visits, drugs and labs your plan covers. For some procedures, such as Botox injections for migraines, we obtain pre-authorization prior to the visit to ensure insurance coverage, but your specific individualized cost will be unknown to us until we actually do the procedure and the medical visit is processed by the health plan. You, however, can call your health plan beforehand to verify what your cost will be and we encourage you to do so. Please be aware, however, that any deductible, co-payment, or co-insurance charges you incur from these services, or any charges denied by your health plan, are ultimately your responsibility. As the costs of certain health services have increased, East Bay Neurology reserves the right to collect pre-payment if needed if there are anticipated large co-deductible/co-insurance payments.

Additionally, most HMO/PPO health plans will have a co-payment at the time of your visit. We cannot waive the co-payment amount as a contracted provider. Co-payments will be collected at the time of service. Non-covered services must be paid at the time of service. If our staff has to bill for a co-payment, there will be an additional $15.00 service charge.

Any time you receive a new insurance card, please notify us immediately to update your chart information, especially if you are on medications or treatments that require pre-authorization as we will likely need to re-process these under your new insurance. If we have to rebill because of incorrect insurance information, there will be a $50.00 service charge. Please note for certain treatments, doing a retro-authorization if one is not on file may not be possible with a new insurance, and the entire cost will become your responsibility. Therefore, it is imperative to make sure we have your most up to date health plan information on file.

We accept you as a patient with the understanding you know your coverage and benefits. Again, any ultimate balances remaining (from co-payments, co-insurance, deductibles, or denied claims) after your claim has been processed from your health plan are ultimately your responsibility and due immediately upon receipt of statement. Failure to make timely payments on any outstanding balances may result in dismissal from the practice.

MEDICARE
We are participating providers in Medicare, which means that we accept Medicare assignment as payment in full, once your deductible and co-payments have been made. We will bill Medicare for you, as well as your supplemental insurance. You must provide us with valid cards from Medicare and any other insurance if applicable. Without these documents we cannot bill your insurance and payment will be expected from you at the time of your visit. The patient is only responsible for the deductible, co-insurance and non-covered services. Co-insurance and the deductible are based upon the charge determination of the Medicare carrier. The same financial responsibilities as described above apply.

CANCELLATIONS / NO SHOWS
If you are scheduled to see the physician and are unable to keep your appointment, please contact our office as soon as possible so we may schedule your time for another patient. Failure to show up for your appointments creates gaps in our schedule and affects our ability to provide appropriate care to all of our patients. **"No Shows" and/or cancellations with less than 24 hours notice may result in a charge of $100.00 if you are a new patient or scheduled for a procedure and $75.00 if you are a return patient. This charge is NOT covered by your insurance company, and will be collected before you make your future appointment with us.** Repeated "No Shows" or cancelled appointments, without at least 24 hours notice, may result in dismissal from our practice.

COMPLETION OF FORMS / PHOTOCOPYING OF MEDICAL RECORDS
Completion of various forms and/or letters (anything that requires a provider signature) will be charged a flat fee of $30.00. If you are going to request your personal medical records you will also be charged a fee of $30.00 and up depending on the thickness of your medical file.

A $25.00 charge will be applied for all returned checks.

I hereby acknowledge that I have read and consent to this Notice of Financial Policies.
